Education

- **BSc Computer Science** – University of Haripur (CGPA: 3.46/4.0, 2021 – sep2025)
- **Higher Secondary** – Peshawar Model Degree Colleges (82.3%), 2019–2021
- **Secondary School** – Al-Emaan Schooling System (83.6%), 2017–2019

Work Experience

AI Intern –Revnix (oct 2025 –present)

- Developed python-based data workflow using Numpy,Pandas and FastAPI,built applications leveraging LLMs,Langchain,and RAG techniques .
- Designed and integrated generative AI features,model pipeline and optimize backend services.

AI&ML Intern – Ranking GROW (May 2024 – July 2024)

- Developed AI-driven solutions to improve business analytics and decision-making.
- Built ML models and analyzed large datasets with Python, Pandas, and NumPy.

Projects

- **SmartLearn Ai Study Assistant (FYP)**: AI-powered system for Summarizing ang quiz generation from Study materials.
- **Power BI – Flight Activity Dashboard**: Visualized customer behavior and flight trends.
- **Web Agent**: Developed a web agent integrating LLMs, RAG, and LangChain for intelligent browsing, extraction, and automated decision-making.
- **FastAPI Patient Management System** : A fully functional RESTful API for managing patient records using FastAPI and Pydantic. Includes CRUD operations, BMI calculation, sorting, and validation features.
- **Generative AI Semantic Calculator**: NLP-based calculator interpreting natural language inputs.
- **Computer Vision & DL Projects**: CNN-based object detection and TensorFlow models.
- **Social Media Profiling (NLP)**: Sentiment analysis on Twitter posts.
- **Task Manager API with Role-Based Access Control (FastAPI, SQLAlchemy, JWT)** : Created a FastAPI task management backend with JWT auth and role-based access control.

Skills

- **Programming**: Python, SQL, HTML/CSS, Excel, Power BI, Tableau,Numpy,Pandas.
- **AI/ML**: TensorFlow, Scikit-learn, NLP, Computer Vision, Predictive Modeling, Prompt Engineering ,Langchain,Fast API.
- **Analytics**: Data Visualization, Trend Analysis, Statistical Modeling
- **Soft Skills**: Leadership, Teamwork, Adaptability, Project Management

Certifications & Training

- Introduction to Ai_Google
- Basics in Machine Learning _CQI
- Basics of Python_CQI
- Data Visualization Using python_CQI
- Basics of Microsoft POWERBI_CQI
- Bascs of Artificial Intelligence Learning Models_CQI
- Basic of Social Media Marketing_CQI

Leadership & Achievements

- Led AI workshops and organized community outreach programs
- Play active role in Ai developing Society during my studies.
